Hi Medi,

Others at EPA were confused between Hunter's Point and Treasure Island. The naming conventions in our database make it easy to confuse the two. It's happened before and probably will again. Sorry to have bothered you and thanks for responding so quickly.

Hi David,

Please clarify where OU10 is a TI. I'm not working on an OU10 or Site 10 project at TI.

Thanks -- Medi

Hi Medi,

Can you please answer Loren's question and let me know if the RA complete for OU 10 will be done by September 30, 2013?

Thanks,

David

David, there's an RA complete on the books for TI for this FY. It's for OU10. Can you let me know if we're on track to get that completed this year?
